

The QYC Youth Sailing Program

The QYC YSP goal is to provide a safe, encouraging environment for students to learn to sail, to develop their sailing skills, or learn to race. The YSP focuses on the fun, enjoyment, accomplishment, and self-confidence that results from learning to sail.

Our instruction is based on US SAILING curriculum, and is carried out in age and skills appropriate classes. There are also group activities that encourage social interactions and friendships among the students. Students learn skills that will form the foundation for a lifelong love of sailing. They also learn the proper use and care of boats, sails, moorings and the docking area. Safety standards are taught and strictly enforced.

The Sailing Program

Students learning to sail or seeking to improve their sailing skills should sign up for the Sailing Program. Classes are divided by age and skill levels. There are four 2-week sessions scheduled throughout the summer.

The Racing Program

The four week Racing Programs offer intensive racing training to prepare students to compete in regional regattas. Racing students must have previous sailing instruction, program director's approval, and a strong interest in racing to enter this program. The YSP highly recommends that students start with Optimist racing. More information on the regattas will be available at the YSP orientation on June 18.

Student Handbook

The Student Handbook with complete information on the program, may be downloaded from the QYC website: www.sailqyc.com

Camp Status Statement

The QYC Youth Sailing Program is registered as a children's sports camp with the Town of Wakefield Board of Health. This camp must comply with regulations of the Massachusetts Department of Health and be licensed by the local board of health. Parents/guardians may request copies of the QYC Youth Sailing Program policies on staff background checks, healthcare, and discipline.

QUANNAPOWITT YACHT CLUB 2011 YOUTH SAILING PROGRAM

2011 QYC YOUTH SAILING PROGRAM

Ages

The YSP enrolls students from age 8 and entering 3rd grade through high school.

Swimming

New students must bring a certificate from a recognized swim program, such as the YMCA or Red Cross that indicates successful completion of the following test: swim (without life jacket) 125 feet using any stroke, tread water for 2 minutes and then put on a life jacket while treading water 6 feet deep or more. The Burbank YMCA in Reading provides swim tests by appointment

Safety Requirements

All students must provide their own Coast Guard approved Type III life jacket, which will be worn at all times when students are on the docks or in the boats. Students also need to provide and use appropriate sun protection: sun block, lip sun block, hat, shirt and UV-filtering sunglasses. Closed-toe shoes are required.

QYC YSP 2011 Summer Schedule 9 AM to 4 PM, Monday-Friday
